

# 2024 LOVE OUR KIDS 5K **FUN RUN**

**Saturday, April 20th, 2024 - Porterville Sports Complex**

The Strathmore Boys & Girls Club opened its doors in June of 2015 with the goal of inspiring and enabling all youth, especially those who need us most, to realize their full potential as productive, responsible, and caring members of society. Through the generous support of the community and fundraisers, such as the Love Our Kids Fun Run, hundreds of young lives have been positively affected. We invite you to invest in their future.
